As announced March 3, 2006, by Secretary Jeanne Woodford, California Department of Corrections and Rehabilitation, the 3%-at-50 formula shall apply to POFF supervisors (S06) and managers (M06) for their POFF service affiliated with Unit 6. The 3%-at-50 formula will also apply to past POFF supervisor (S06) or manager (M06) service for individuals in exempt or other excluded positions that are currently affiliated with unit 6. Past supervisor (S06) or manager (M06) service with Unit 6 will **not** be covered if the supervisor or manager is no longer in a position affiliated with Unit 6 on or after January 1, 2006.

The decision to extend the formula to other excluded positions remains under consideration.

No action is required by the employee for this formula change to take effect.

/s/ Dave Gilb
